On December 3, 2015, the Green Valley Ranch Community Association (GVRCA) held their annual election. We are dedicating this issue to that topic. Therefore, the remainder of this issue will include election results, biographies of the 2016 GVRCA Board of Directors, and some background regarding the election process.

Green Valley Ranch is a beautiful, thriving community. In fact, GVRCA was nominated for the prestigious Community Association of the Year award in 2010 by our property management company, Terra West. How did this nomination come about? It was the result of the time and effort expended by the residents of Green Valley Ranch and the GVRCA Board of Directors all working together to maintain the integrity of our community as put forth in the Covenants, Conditions, Restrictions, Reservations and Easements (CC&Rs) that govern this outstanding community we call home.

What is the Association? The Association is an organization brought about under Nevada non-profit corporation law and “is charged with and vested with the powers prescribed by Nevada law (including NRS Chapter 116 as applicable) and as otherwise set forth in the Articles, Bylaws, and this Declaration.” (CC&Rs, Article 5, subsection 5.1)

You Are The Association. Surprised? According to Article 5, subsection 5.2 of the CC&Rs, “members of the Association shall be each Owner (including Declarant) of one (1) [or] more Lots, Parcels, Development Tracts or Area within the entirety of the Property...Membership in the Association shall be subject to this Declaration, Nevada law, the Articles, the Bylaws, and the Rules and Regulations from time-to-time adopted by the Association.”

What does the membership do? In a nutshell, it operates the organization known as the GVRCA. You have the power and duty to levy assessments and charges to the membership for the operation of the Green Valley Ranch property. (See Article 6, subsection 6.1.1) You have the power and duty to repair and maintain Association property and GVRCA Common Areas. You have the power, but not the duty to grant easements and Rights-of-Way in, on, under, and through the Association Property subject to consent of 75% of the GVRCA Members. You have the power, but not the duty to employ or contract a professional manager or management company to perform any or all of

the duties and responsibilities of the Association. You have the power and duty to maintain the integrity of the Association Property and GVRCA Common Areas and provide such other services as may be necessary or proper to carry out the Association's obligations and business under the terms of the CC&Rs in order to enhance the enjoyment by the Members of the Association Property, GVRCA Common Areas or GREEN VALLEY RANCH in general, or to facilitate the use by Members of any of the aforesaid. (Article 6, subsection 6.1.6) You have additional powers and duties according to Article 6 of the CC&R's, but I think you get the idea that the individual property owners in Green Valley Ranch are ultimately responsible for their community.

I don't have the time to do all of this! Of course not, but you still have the authority and responsibility to do all this. That is why you elect board members on an annual basis.

Didn't we used to have delegates? Each community formerly selected one or more delegates to the GVRCA. Their responsibilities included election of the Board of Directors and ratification of the budget. By representing the communities, they were able to ensure that the interests of each neighborhood were considered. With changes in legislation enacted in the 2009 session, representative voting by delegates was barred. All voting must now be conducted directly by homeowners. Potentially, we could have 3,914 votes to be counted at the annual meeting,

although it is unlikely that all homeowners would vote.

Now, what about the GVRCA Board of Directors?

The Board of Directors is a group of seven individuals who have been granted the responsibility to conduct, manage and control the affairs and business of their Association, and to adopt, amend, repeal and enforce reasonable rules and regulations (the "Rules"), governing, among other things, the use and occupancy of Association property. The Board is also responsible for enforcing the CC&Rs. For further information regarding the GVRCA, see the GVR Declaration of Covenants, Conditions, Restrictions, Reservations and Easements (CC&Rs).

Meet Your 2016 GVRCA Board of Directors

It takes dedication, hard work, and a sense of community to serve as a board member.

Beginning January 1st, 2016, your GVRCA Board of Directors will be Lisa de Marigny, Charles Geisendorf, Jocelyn Holzwarth, Doreen Morgan, Paul Rowcliffe, David Sanchez and Rick Schmalz.

Your Board is excited to work together to make 2016 another wonderful year in The Ranch.

Let's meet the 2016 Board of Directors.

Lisa de Marigny, DCAL®

Lisa brings an impressive background and proven work ethic to GVRCA

2016 GVRCA Treasurer,

Lisa brings an impressive background and proven work ethic to GVRCA. The de Marigny family has lived in the Carriage Lane subdivision of the Ranch since 2002. Lisa has

served in various board positions and committees during that time, including President of both the Green Valley Ranch and Carriage Lane Community Associations.

While serving as Community Relations Liaison, she lobbied to get the Paseo Vista Park built. This project stands out the most because her children still refer to it as "Mama's Park." Lisa became Nevada's 13th Dedicated Community Association Leader (DCAL) in 2008. The Community Association's Institute (CAI) designation requires 30 hours of education and a commitment to a code of ethics. Lisa is a graduate of Penn State University and a 2012 graduate of the Las Vegas Chamber of Commerce's Leadership Las Vegas executive development program.

In addition to her community volunteer work, Lisa has spent her career in the transportation business and is the CEO of Showtime Tours, an airport shuttle and charter bus company.

The Ranch's broad range of amenities such as the parks, shopping, restaurants and the overall atmosphere of the community make GVR an ideal place for Lisa and her husband, Gerard, to raise their four boys. Coming from the densely populated New York/New Jersey area, the de Marigny's love the high quality of life that exists in our community.

Lisa is excited about serving as treasurer this year and updating the association's reserve study. Her goal is to continue to preserve homeowner value and maintain the high standards that our residents have come to expect of our community.

Charles Geisendorf

Balancing community goals and homeowner rights is a priority

2016 GVRCA Director

Charles grew up in Las Vegas and has lived in Henderson with his family for the past eleven years. He decided to run for the GVRCA Board to become an active part of the community and to ensure its success by balancing the community goals and the rights of the individual homeowners. Charles is a first-time GVRCA Board member and also serves on his sub-association board, Pacific Images.

A graduate of UNLV and the University of Colorado School of Law, Charles is an attorney practicing in the areas of business and real property law. Additionally, he is a member of the

Community Associations Institute, a national organization dedicated to community associations and the professionals who support them.

Charles' goal as a Board member is to preserve the community's architectural integrity and maintain the property values while keeping costs down.

Jocelyn Holzwarth, DCAL®

Jocelyn is admired for her long-term commitment to GVRCA

2016 GVRCA Vice President

Jocelyn has served our community since 1996 in a number of different capacities. She is the immediate GVRCA past-President and has also served as Treasurer and Secretary in addition to her current position as Vice-President. She will be the Landscape and Communication liaisons and has previously chaired the Landscape and Architectural Committees, as well as serving on the Social Committee and editing the Newsletter in the GVR early days. She began her service as a delegate for her subassociation.

For education, Jocelyn holds undergraduate degrees from U.C. Berkeley; one in Business and one in English. She received her MBA at the Roseman University of Health Sciences and her Masters of Science in Financial Services from the Institute of Business and Finance.

Doreen Morgan

Doreen is passionate about fostering communication throughout GVRCA

2016 GVRCA Director

Doreen has called Bella Vista Condominium subassociation home since 2000. She works in the home

healthcare industry as a consultant. She holds a Bachelor of Science degree in Mathematics and has a background and experience in accounting, business administration and software/web development. Doreen is a past member and financial secretary of Delta Educational and Leadership Training Academy (DeltaEd), a non-profit organization that offers life skills training for today's youth.

As a board president and liaison for her community, she began attending the master GVRCA board and committee meetings in order to stay abreast of issues that affected Bella Vista. As she became more aware of all that was happening in the GVRCA community as a whole, she felt it

was a natural progression for her to become involved on a greater scale.

Doreen is passionate about keeping community leaders, volunteers, and residents informed, engaged, and interconnected. She knows that in order for a planned community to thrive, everyone must do their part; that starts with knowing about and understanding the governing documents, the CC&R's. Doreen will be completing the necessary classes to earn her DCAL certification in 2016.

"I'm from the Midwest, Chicago area specifically, but I'm proud to call Nevada, Henderson and GVRCA my home." She loves the close proximity to schools, shopping, trails, restaurants, and the entertainment as well as the family atmosphere of GVRCA.

Paul Rowcliffe

Paul places a high value on safety and security in The Ranch

2016 GVRCA Director

Serving on the Board since 1998; Paul is the Architectural Liaison for the GVRCA, as well as President of his subassociation, Altezza/Meritage. If you have an issue with the Ranch, you can be sure Paul will hear you

out. When asked why he serves the community, Paul responds, "I want to help maintain a safe, secure, orderly and aesthetically pleasing neighborhood where each homeowner has an input. Our community consists of over 3,900 homes, and it is my hope that all homeowners can work together in the spirit of understanding and compromise so that GVR remains a community that meets the needs and desires of all our residents."

Being very goal oriented, Paul has a clear picture of what he wants to accomplish for GVR. "I want to see a high level of safety and security

practicing locally in the Las Vegas valley for 18 years.

In addition to her service to GVR, she was appointed in 2015 as a Planning Commissioner for the City of Henderson. In that capacity she has the opportunity to review zoning changes and design applications for developments so that they can be approved at Henderson City Council. She finds this work greatly rewarding and appreciates the opportunity to give back to the community.

The Holzwarths moved to GVR in 1995, when the development was in its infancy. When asked why she became involved with our community, she said, "With the community as new as it was, I felt that I could make a difference by volunteering to preserve the property values, beautiful grounds, community feel, safety and surrounding amenities that make Green Valley Ranch the premier homeowner's association it is today." Now that the association is 21 years old, it's time for a facelift. She enjoys

looking at the improvements we can make in the Ranch, as well as in the area as a whole.

She loves the amenities available in and around the Ranch and Southern Nevada and for fun spends lots of time sailing their 33' Beneteau on Lake Mead with her husband, Bill. "Yes, you can race sailboats in the desert!" Jocelyn is admired by her peers for her long-term commitment to GVR. They know they can call on her to get the job done.

Rick is a proponent of consistent enforcement of the CC&Rs

tee and coordinated the community's common-area landscaping as the Landscape Liaison. If you want to know the history of Green Valley Ranch Community Association, Rick is the person to ask.

After a seven year absence from the Green Valley Ranch Board, Rick was once again elected to serve starting in 2014. Rick's current goals for the association are:

- ✓ Increasing property values while maintaining a financially strong association
- ✓ Assuring stability in assessments to residents
- ✓ Maintenance of community landscaping and property to superior standards
- ✓ Assuring our community remains a safe and secure place to live
- ✓ Compatible development of the one remaining commercial parcel at the District
- ✓ Becoming more water efficient while maintaining our beautiful landscaping
- ✓ Expanding options for interaction and participation in Ranch activities

Rick began his service to the Ranch in 1996 as a delegate for the Horizons sub-association. Also in 1996, he became the first Green Valley Ranch homeowner to be elected to the Board of Directors. Along with representatives from American Nevada Corporation, Rick was instrumental in getting the GVRCA up and running. As an elected Board Member from 1996 through 2006 he served in every board office including five terms as President. Rick also chaired the Budget & Finance Committee, Legal Committee, Public Safety Commit-

Rick has been and continues to be a strong proponent of consistent enforcement of the CC&R's. Preserving and improving the outstanding GVR experience for all residents is his number one goal. It concerns him that many people do not read and understand the GVRCA CC&R's they agreed to follow when purchasing property in The Ranch.

He is aware of the considerable amount of time and dedicated effort needed by so many volunteers to keep a Master Planned Community the size of Green Valley Ranch the most desirable place to live in the valley. When asked to state his favorite thing about our community, he doesn't miss a beat when answering "Green Valley Ranch is essentially the same place I moved to over 20 years ago. It's a great place to live and a wonderful environment in which to raise a family."

For over thirty years, Rick has served Southern Nevada residents as a Financial Manager in the utility industry. He holds a Bachelor of Science degree in Accounting, an MBA degree with emphasis in Finance, an Associate Degree in Risk Management, and is a Certified Cash Manager.

throughout the Ranch. Safety and security issues must include strict traffic enforcement, adequate crosswalks, and parking around schools. We must continue to be active in influencing current and future development in and around the Ranch. Maintaining and improving the common areas within the Ranch is also a goal,

especially now that the Ranch has become a mature neighborhood. Not only do we want to maintain the status quo of the Ranch, but we want to improve it." Paul is also mindful of the Board's fiscal responsibility to use your funds wisely and prudently."

Finally, fair and consistent enforcement of CC&Rs for the com-

munity benefit of all homeowners is a continuing task. It is an important aspect in maintaining the quality and value of our community." Paul loves the Ranch, the people, the landscaping, the trails and the parks. He is proud to be part of a Board that is committed to maintaining high standards throughout the community.
